

Welcome to Wayne Art Center Summer Art Camp 2025!

We are looking forward to welcoming your camper this summer. Please take a moment to familiarize yourself with drop-off, pick-up and other important guidelines below, and, as always, thank you for your continued support of Wayne Art Center.

Drop Off and Pick Up:

Morning classes begin promptly at 9:30 AM and end at 12:00 PM. Please plan on dropping off no earlier than 9:25 so that teachers may fully prepare to welcome your child. All campers are to be dropped off and picked up on-time in their studio each day.

On Monday morning, Wayne Art Center staff will check your camper(s) in and direct you to their assigned studio. If your camper is staying the full day, we will let you know which studio to pick them up from in the afternoon.

For LUNCH BUNCH, campers will eat lunch & play in our children's garden (*weather permitting*). Campers will then be escorted by WAC Staff/Volunteers to their afternoon classes.

Afternoon classes begin at 12:30 and end at 3:00 PM. Again, please plan on arriving only 5 minutes early for drop-off.

Late Afternoon classes begin at 3:30 and end at 5:00 PM.

Alternate Pick Up:

If your child will be picked up by anyone other than a parent, your child's instructor must have a copy of the Alternate Pick-Up Form, on file. This form is available at drop-off and must be completed for each person authorized to pick up your child.

Food & Beverage:

Campers should bring a snack and water for morning break and afternoon break.

All Lunch Bunch students must bring their own lunch.

Please note: Wayne Art Center is a nut-free facility so *please refrain from packing any product containing peanuts, nuts or nut products.*

Illness:

Please exercise extra caution if your child is not feeling well before camp. If your child is not feeling well at any time during camp, parents or caregivers will be immediately contacted. You or an approved alternate will be asked to arrive in a timely manner.

Dress and Attire:

Please dress your child in clothing that can get dirty. We highly recommend sturdy closed-toed shoes such as sneakers as children will be outside for lunch & snack (weather permitting.)

Electronic Devices:

Please do not send children with electronic devices such as an iPad or video games. If a camper must bring a cell phone, it must stay in a backpack and be silenced. If you need to communicate with your camper, please call the main camp number at 610-688-3553 or email camp@wayneart.org .

**Thank you for your cooperation in making camp a safe
and fun environment!**
